

## **Application under Tier 2 (General/ICT) for Entry Clearance or Further Leave to Remain**

### **Hourly rate: £200.00 plus VAT (where applicable)**

On average, this type of work takes between 6 - 10 hours to complete. This means that on average costs are between £1,200 and £2,000 excluding VAT depending on the complexity of the matter. If you are able to provide sufficient evidence at our first meeting and clearly meet the applicable Immigration Rules, the cost is likely to be at the lower end of this range. The exact number of hours it will take depends on the circumstances in your case. Such as:

- The amount of supporting evidence that we need to consider;
- Whether you are applying with other dependants;
- Previous refusals or adverse immigration history;

### **What services are included?**

The work will involve:

- Discussing your circumstances in detail and confirming whether this is the most appropriate application for you to make and what other options may be available to you;
- Giving you advice about the requirements of the Immigration Rules and whether you meet the criteria.
- Taking your instructions and sending you a comprehensive checklist of the supporting evidence required.
- Checking your resident labour market test process (RLMT) including records retained by the sponsor.
- Requesting an allocation for an Unrestricted/Restricted Certificate of Sponsorship.
- Assigning the relevant Certificate of Sponsorship (CoS) to the relevant candidate.
- Completing the candidate's application form and legal representations.
- Arranging the relevant biometric appointment and advising on the application submission process.
- Giving you advice about the outcome of the application and any further steps you need to take in order to qualify for an extension of this visa or for Indefinite Leave to Remain (ILR) on this route.

### **Disbursements (not included in costs set out above):**

- Any Home Office fees for making the application. You will pay this to the Home Office directly as part of the application process. These figures are available on the government website and

change in April at the end of every fiscal year. Note that where the applicant is based outside of the UK, fluctuations in currency may affect the Home Office fee.

- Where the Home Office refuse your application, advice and assistance in relation to any appeal
